

# User Manual For SS Lootah Ecommerce

### 1. Projects Enquiry Button (Top Right):

- Allows users to submit inquiries for projects such as custom designs or bulk orders.

### 2. Cart Icon:

- Displays the shopping cart, where users can view and manage their selected products. Clicking redirects to the cart page.

### 3. Wishlist Icon:

- Provides a shortcut to the user's wishlist, showing saved products for future consideration.

### 4. User Profile Icon:

- Offers access to account options, such as the dashboard, profile, orders, and logout.

### 5. Categories (Top Navigation Menu) :

- **Categories:** A link that will redirect to category page for users to explore different product categories.

### 6. Brands (Top Navigation Menu):

- A link that will redirect to brand page for users to explore different product brands.

## Popular Categories

**Bathroom Sanitary Ware**

[Shop Now >](#)

**Kitchen**

[Shop Now >](#)

**Bathroom Furniture**

[Shop Now >](#)

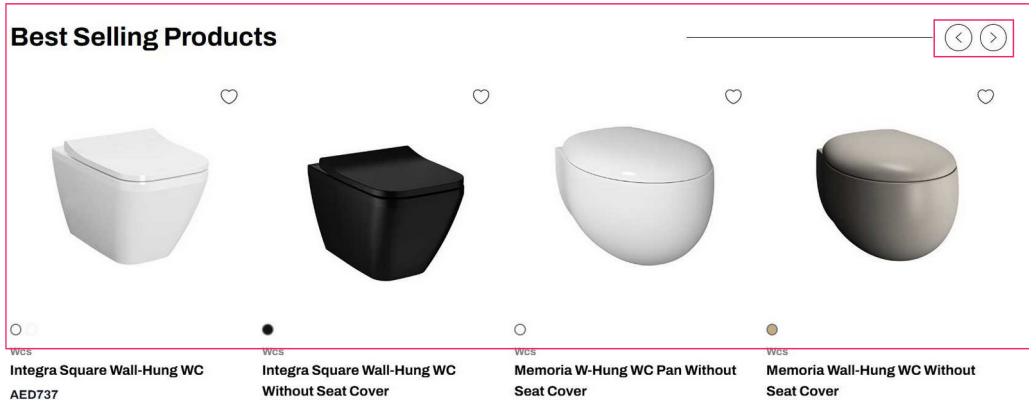

This section is the **Popular Categories** area, where users can browse featured product categories.

### 1. Category Titles and Images:

- **Bathroom Sanitary Ware:** Includes products related to sinks, faucets, and other bathroom fixtures.
- **Kitchen:** Features kitchen-related items such as countertops, cabinets, or appliances.
- **Bathroom Furniture:** Highlights furniture designed specifically for bathrooms, like vanities and storage units.

### 2. Shop Now Buttons:

- Each category has a **Shop Now** button that directs users to the relevant product listings for that category.
- These buttons make it convenient for users to immediately explore products within their chosen category.

This section is the **Best Selling Products** area, where users can view the most popular items available for purchase.

### 1. Product Display:

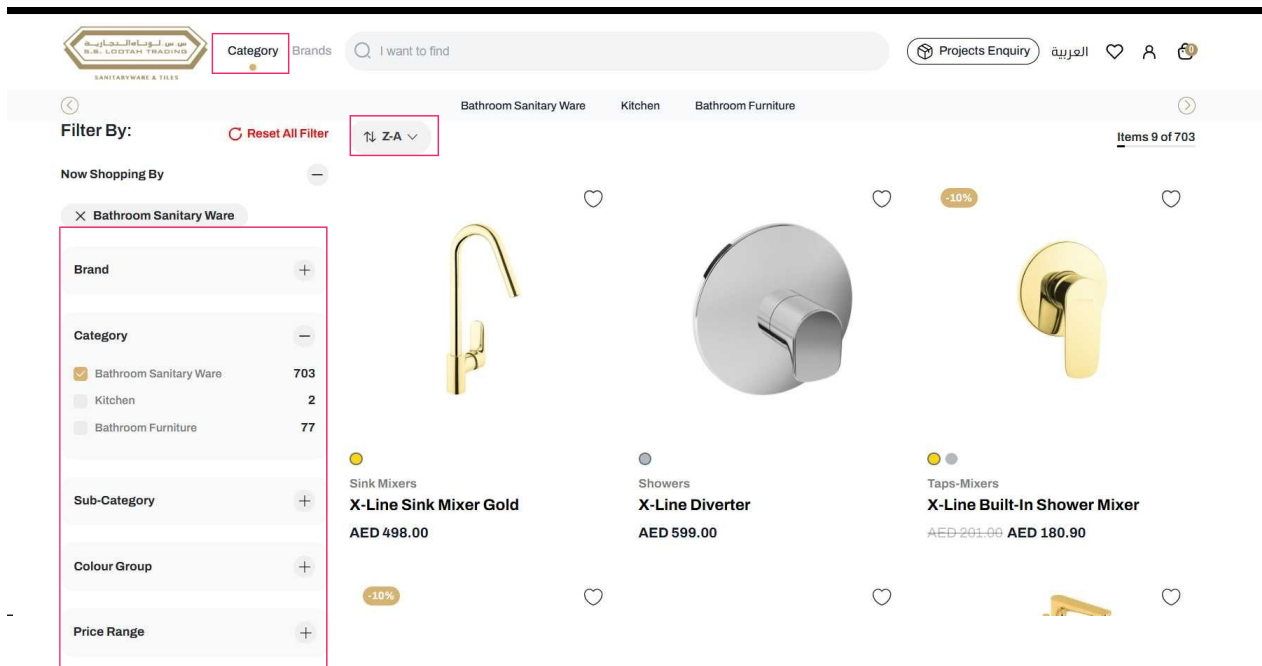

- Each product is displayed with:
  - **Image:** Provides a visual representation of the product.
  - **Name:** Clearly labeled below each product (e.g., "Indigo Square Wall Hung WC").
  - **Options:** Includes product variations like color or features (e.g., with or without a seat cover).

### 2. Heart Icon:

- A clickable icon above each product allows users to save the item to their wishlist for future reference.

### 3. Navigation Arrows (Top Right):

- Arrows allow users to scroll through additional products in the **Best Selling** list without leaving the section.

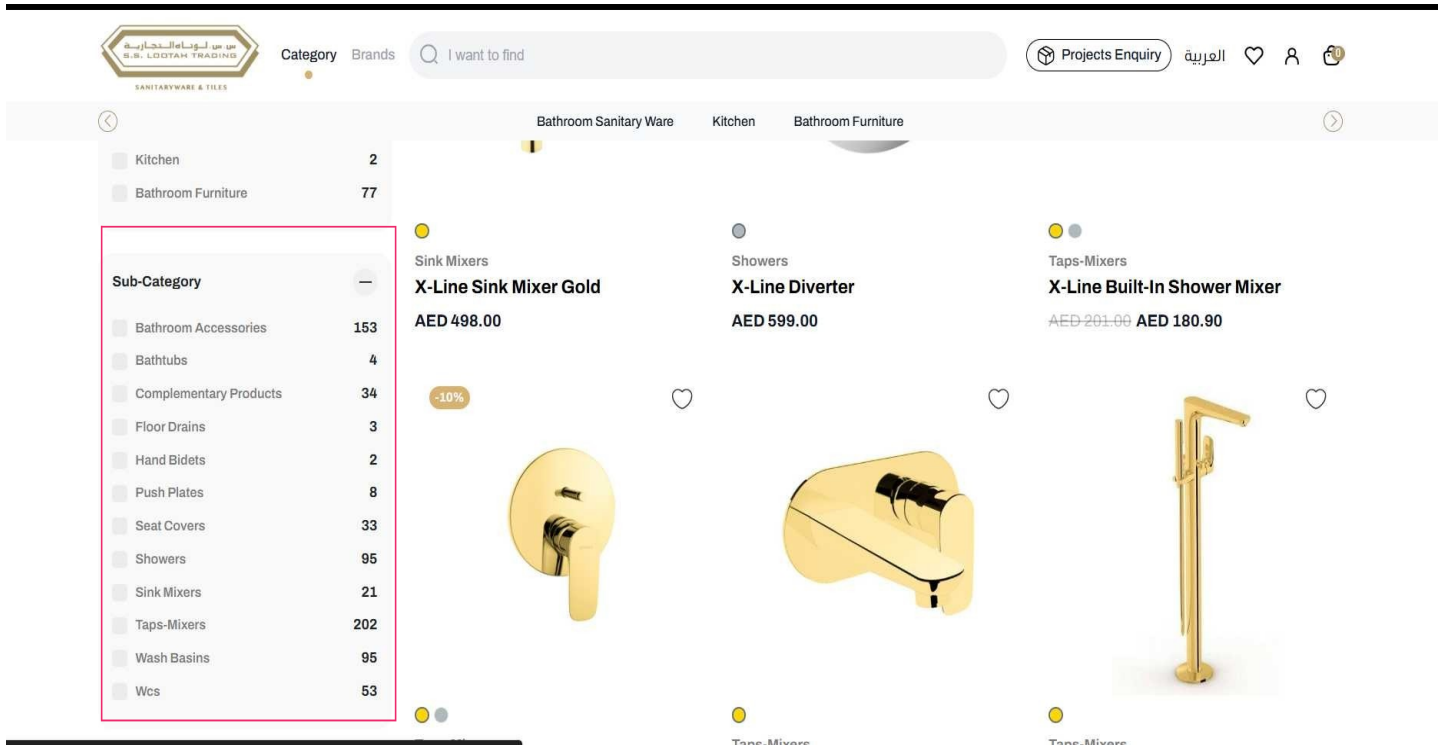

This section is the **Category Page**, where users can browse products under a selected category and filter results to refine their search.

### 1. Filter Options (Left Sidebar):

- Users can filter products based on various criteria:
  - **Brand:** Filter by specific product brands.
  - **Category:** Narrow down the search to a specific category within the broader selection (e.g., Bathroom Sanitary Ware).
  - **Sub-Category:** Further refine the product type.
  - **Color/Finish:** Choose products with a specific color.
  - **Price Range:** Adjust the price range to fit the user's budget.

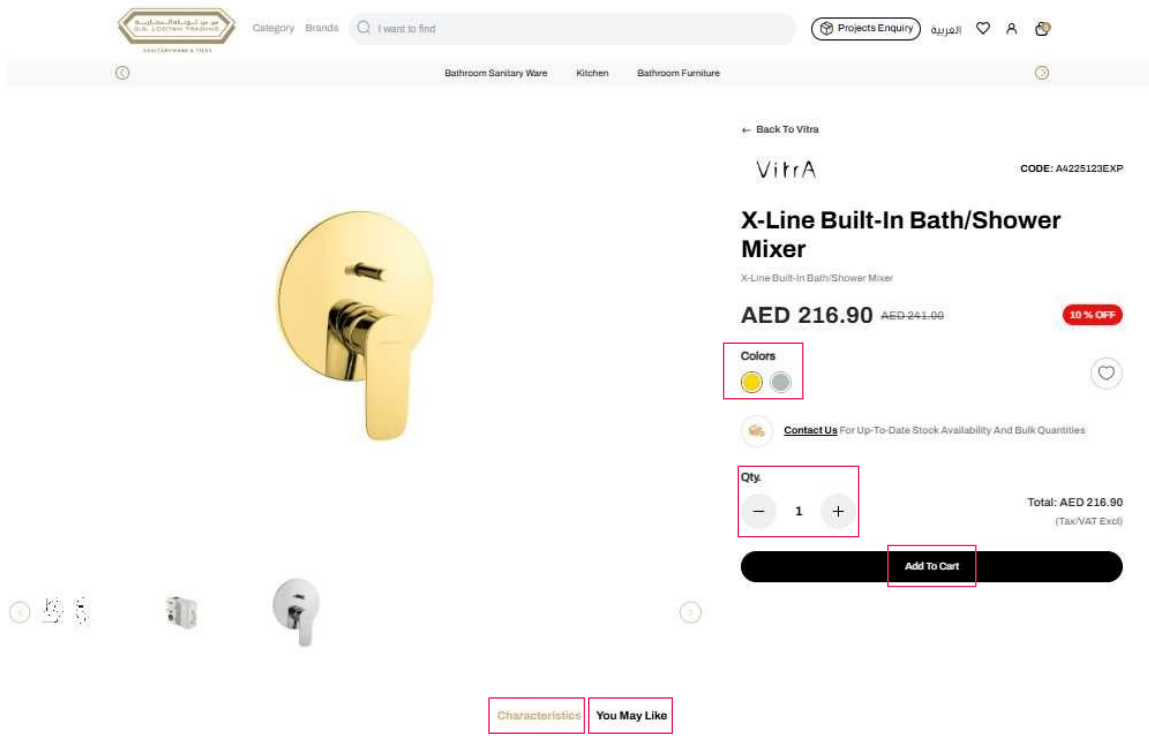

### 2. Sorting Options (Top Right):

- **Alphabetically:** This sorting option allows users to arrange products by their names in alphabetical order (A-Z or Z-A). It helps users locate specific items quickly when browsing through a large selection.

This section displays the **Sub-Category Filter** for products within a specific category.

- **Sub-Category List (Left Sidebar):**
  - This filter allows users to refine their search by selecting specific sub-categories within the main category.
  - Examples of sub-categories include:
    - **Bathroom Accessories**
    - **Bathtubs**
    - **Faucets**
    - **Shower Mixers**
    - **Toilet Seats**
    - **Wash Basins**

### Characteristics

Concealed Part **A41949** Must Be Installed During Wall Application

Concealed Part Is Not Included, Should Ordered Separately

- Height: 215 mm
- Width: 170 mm
- Depth: 88 mm

This is the **Product Details Page**, where users can view detailed information about a selected product.

#### 1. Product Colors:

- Displays the available color options for the product (e.g., gold, chrome).
- Users can select their preferred color by clicking on the color swatches.

#### 2. Quantity Selector and Add to Cart Button:

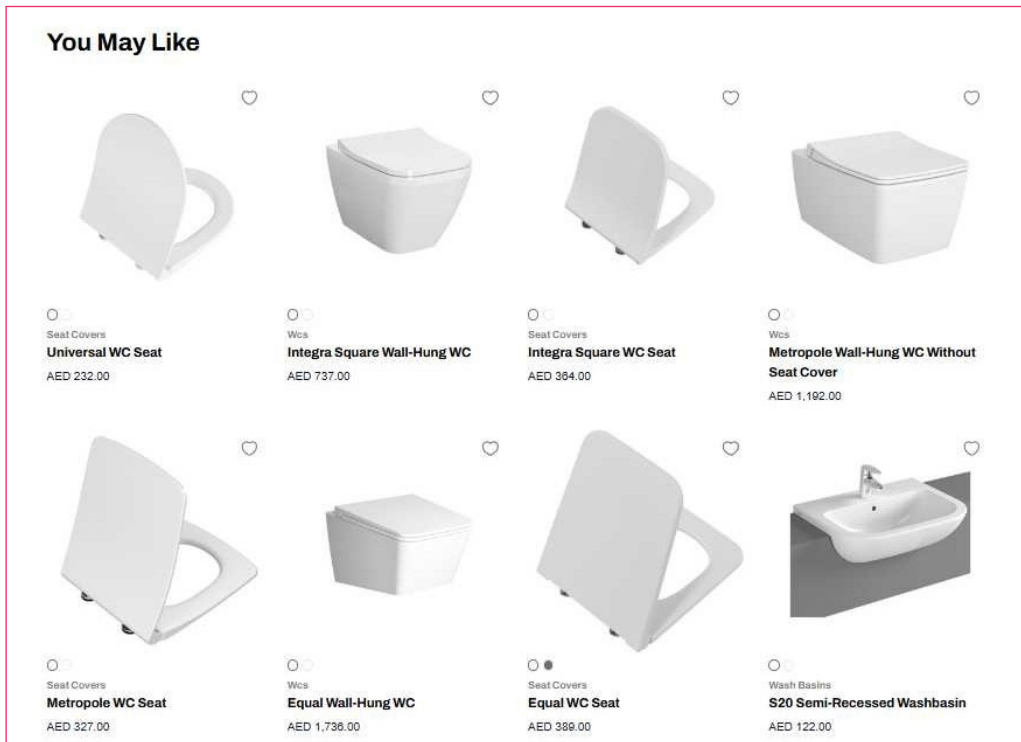

- **Quantity Selector:** Users can adjust the number of items they wish to purchase.
- **Add to Cart Button:** Clicking this button adds the selected product and quantity to the shopping cart.

#### 3. You May Like Section:

- Displays related or recommended products based on the selected item.
- Helps users explore additional or complementary products.

#### 4. Characteristics Section:

- Lists the technical specifications or features of the product, such as:
  - Type (e.g., **Single Handle Mixer**).
  - Connection type and standards.
  - Dimensions and specialty information.

[See More](#)

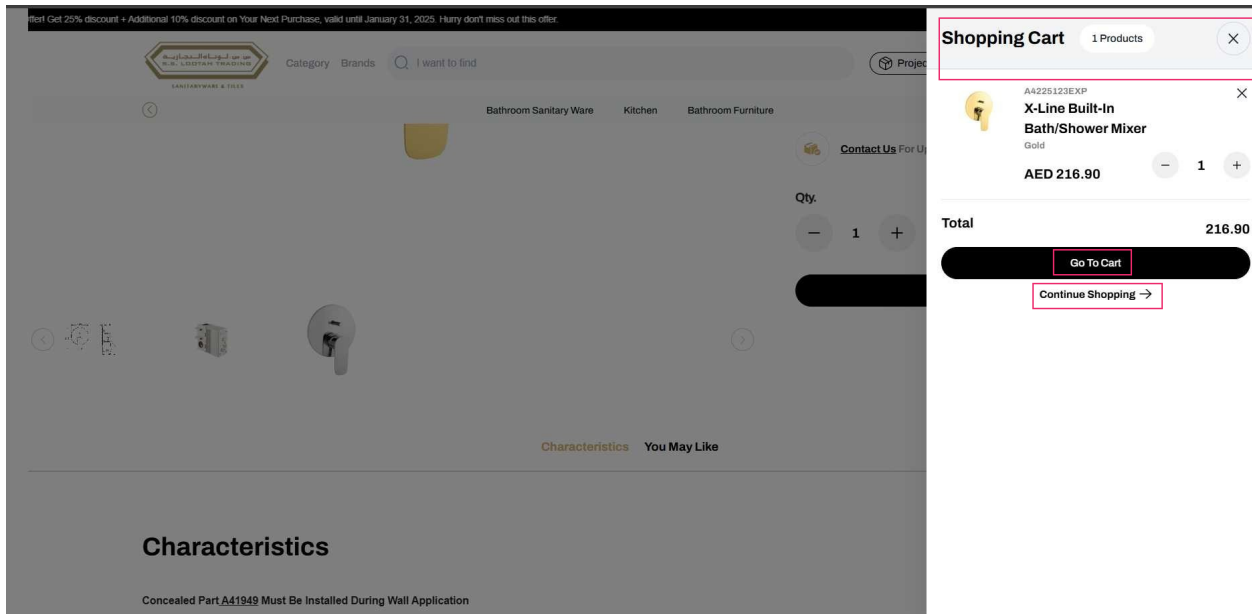

This section is the "**You May Like**" area, which displays recommended products based on the user's interested categories.

### 1. **Product Recommendations:**

- Shows a grid of products that are similar to the item's category being viewed.
- Each product includes:
  - **Image:** A preview of the product.
  - **Product Name:** The name of the item (e.g., "Universal WC Seat").
  - **Price:** The cost of the product (e.g., AED 102.50).
  - **Wishlist Icon:** Allows users to add the product to their wishlist for future reference.

### 2. **"See More" Button:**

- Located below the product grid, this button provides users with an option to explore additional recommended products.

This section is the **Shopping Cart Sidebar**, which appears when users add a product to their cart or view their current cart.

### 1. Product Details in Cart:

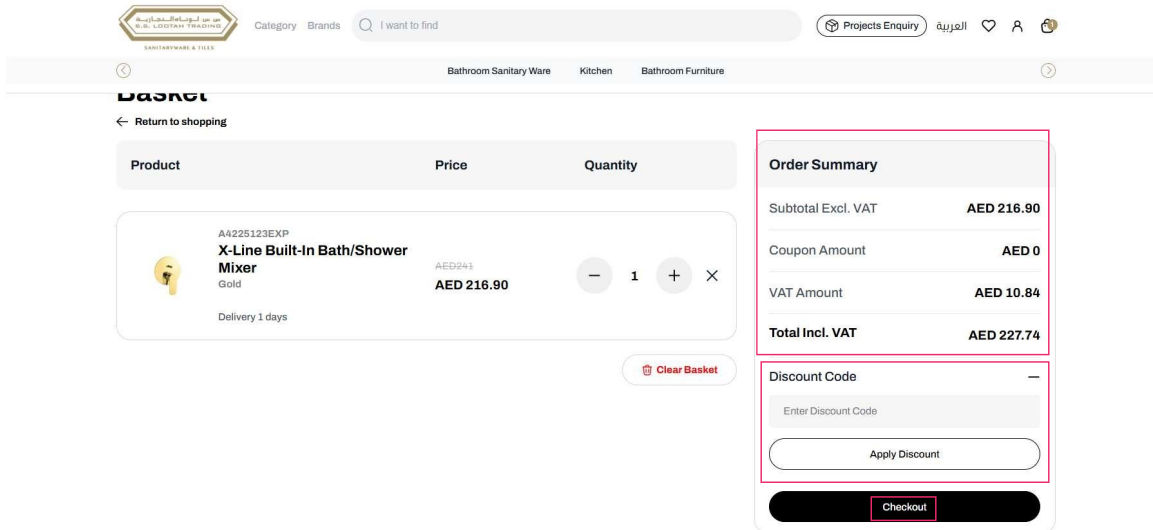

- Displays the item added to the cart, including:
  - **Product Name** (e.g., "X-Line Built-In Bath/Shower Mixer").
  - **Product Image**: A visual preview of the selected item.
  - **Price**: The total price of the product (e.g., AED 216.90).
  - **Quantity Selector**: Allows users to adjust the quantity of the product directly within the cart.

### 2. Cart Total:

- Shows the total price for all items in the cart (e.g., AED 216.90).

### 3. Action Buttons:

- **Go to Cart**: Redirects users to the full cart page for a detailed view and further actions, such as applying discounts or proceeding to checkout.
- **Continue Shopping**: Allows users to return to the store and browse for additional products.

This is the **Shopping Cart Page**, where users can review their selected items, update their order, and proceed to checkout.

### 1. Order Summary:

- Provides a detailed breakdown of the order cost:
  - **Subtotal Excl. VAT:** The total price of items before tax and additional charges (e.g., AED 205.99).
  - **Coupon/Discount Amount:** If any discount is applied, it shows the reduction.
  - **VAT Amount:** The tax amount calculated based on the subtotal (e.g., AED 10.94).
  - **Total Incl. VAT:** The grand total, including VAT (e.g., AED 216.90).

### 2. Discount Code Field:

- A text box where users can enter a promo or discount code.
- **Apply Discount Button:** After entering the code, users can click this button to apply the discount to their order.

### 3. Checkout Button:

- Redirects users to the checkout process to complete their purchase.

The screenshot displays a checkout page with two main sections: a Billing Detail form on the left and an Order Summary table on the right. The Billing Detail form includes fields for First Name, Last Name, Town/City, Street Address, Apartment/Suite/Unit, Email, and Phone Number. A checkbox for 'Shipping Delivery Address' is located at the bottom of the form. The Order Summary table lists Subtotal Excl. VAT (AED 216.90), VAT Amount (AED 10.84), Total Incl. VAT (AED 227.74), Shipping (AED 0.00), and Total Amount (AED 227.74). A 'Place Order' button is highlighted in red at the bottom of the Order Summary section.

Order Summary	
Subtotal Excl. VAT	AED 216.90
VAT Amount	AED 10.84
Total Incl. VAT	AED 227.74
Shipping	AED 0.00
<b>Total Amount</b>	<b>AED 227.74</b>

This is the **Checkout Page**, where users enter their billing details and confirm their order before placing it.

### 1. Billing Detail Form:

- Users are required to fill in their personal and billing information:
  - **First Name** and **Last Name**: Mandatory fields for the user's name.
  - **Town/City**: The user's location.
  - **Street Address**: The primary address for billing purposes.
  - **Apartment, Suite, etc.**: Optional additional details for the address.
  - **Email** and **Phone Number**: Contact information for order confirmation and communication.

### 2. Shipping Address Checkbox:

- **"Shipping Address Same as Billing Address"**:
- If unchecked, the shipping address will match the entered billing details, simplifying the process.
- If checked, then another form for delivery address will show that will consider as the delivery address.

### 3. Place Order Button:

- Located on the right side under the **Order Summary**. Clicking this button completes the purchase and processes the order.

This is the **Order Confirmation Page**, displayed after successfully placing an order. It provides a summary and options for tracking and invoicing.

### 1. Order Date:

- Displays the date when the order was placed (e.g., **09-Jan-2025**).
- Helps the user keep a record of their purchase.

### 2. Order Total:

- Shows the total amount paid for the order (e.g., **AED 327.74**).
- Includes any applicable taxes, shipping charges, and discounts.

### 3. Thank You Message:

- Confirms that the order has been successfully placed with a checkmark icon and a "Thank You For Order" message.

### 4. Tracking Details:

- **Tracking Button:** Provides a clickable link to track the shipping progress of the order in real time.

### 5. Download Invoice:

- A button to download the invoice in a printable format, giving the user a formal record of their transaction.

I agree with S.S Iootah Trading's [Terms & Conditions](#)

**Create Account**

Already Have An Account? [Sign In](#)

### 1. Sign-Up Form:

The form allows users to create a new account. It includes fields for:

- **First Name and Last Name:** Mandatory fields for entering the user's full name.
- **Email:** Required for account creation and future communication.
- **Phone Number:** Enter Phone number for communication
- **Alternate Phone Number:** A secondary contact number.
- **Password:** A secure password field for user authentication.
- **Confirm Password:** Ensures the password is entered correctly by requiring re-entry.

### 2. Agreement Checkbox:

Below the form, there is a checkbox stating, *"I agree with all terms, conditions, and policies."*

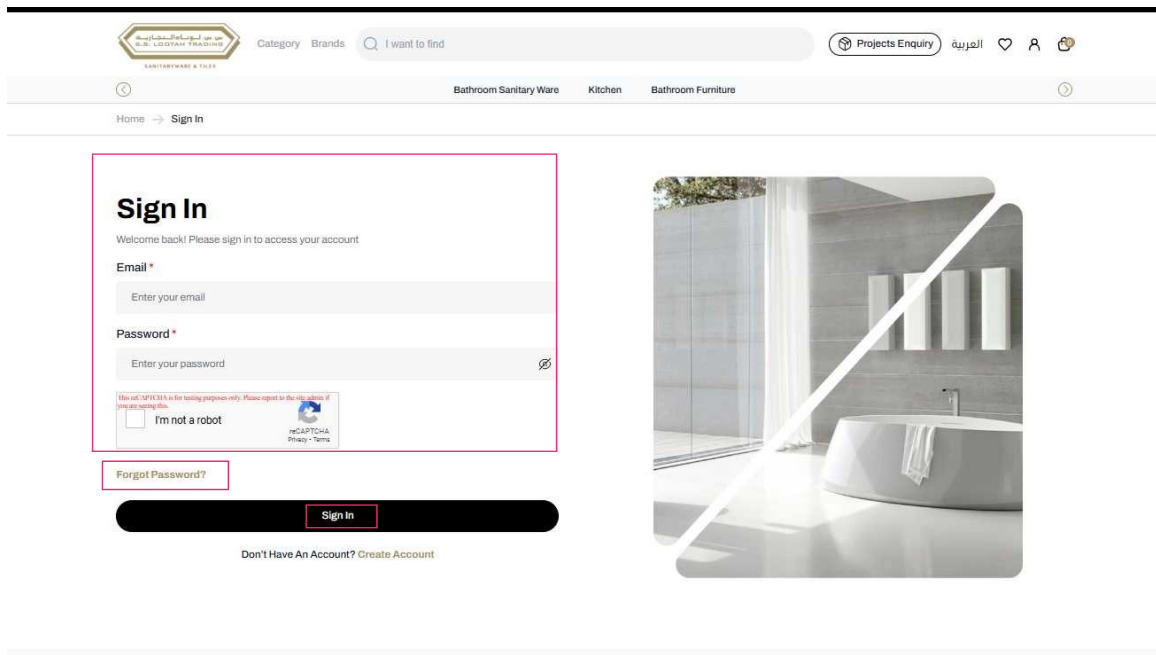

- Users must check this box to agree to the platform's terms before proceeding.
- The terms and conditions link opens a detailed page outlining the platform's policies.

### 3. "Create Account" Button:

This button, located at the bottom of the form, submits the entered information to create a new account. Users can only click it after completing all required fields and agreeing to the terms.

#### 4. "Already Have an Account? Login":

Below the "Create Account" button, there's a link for existing users to switch to the login page instead of creating a new account.

#### 1. Sign-In Form:

- **Email:** Users must enter their registered email address in this field to identify their account.
- **Password:** A secure field where users input their account password.
- **Captcha:** A verification feature (e.g., "I'm not a robot") to ensure the user is a human and not an automated system, enhancing security.

#### 2. "Forgot Password?" Link:

- Located below the password field, this link is for users who have forgotten their account password.
- Clicking on this link will direct users to a password recovery page where they can reset their password.

#### 3. "Sign In" Button:

- This button submits the entered email and password for authentication.
- If the credentials are correct, the user is granted access to their account.

### Forgot Password

Enter email to reset your password

Email \*

[Continue](#)

[Back To → Sign In](#)

### 1. Forgot Password Form:

- **Email Field:**

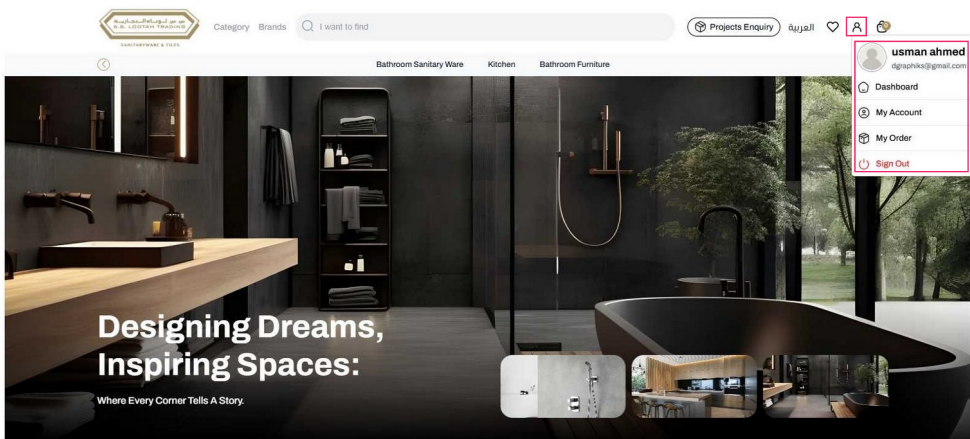

Users must enter the email address associated with their account. This step ensures that a password reset link or instructions will be sent to the correct email.

### 2. "Continue" Button:

- After entering the email, clicking this button submits the request.
- The website will send an email containing a password reset link or further instructions.

### 3. "Back to Sign In" Link:

- This link allows users to navigate back to the **Sign-In** page if they remember their password or decide to log in without resetting it.

#### Popular Categories

### 1. User Icon and Username:

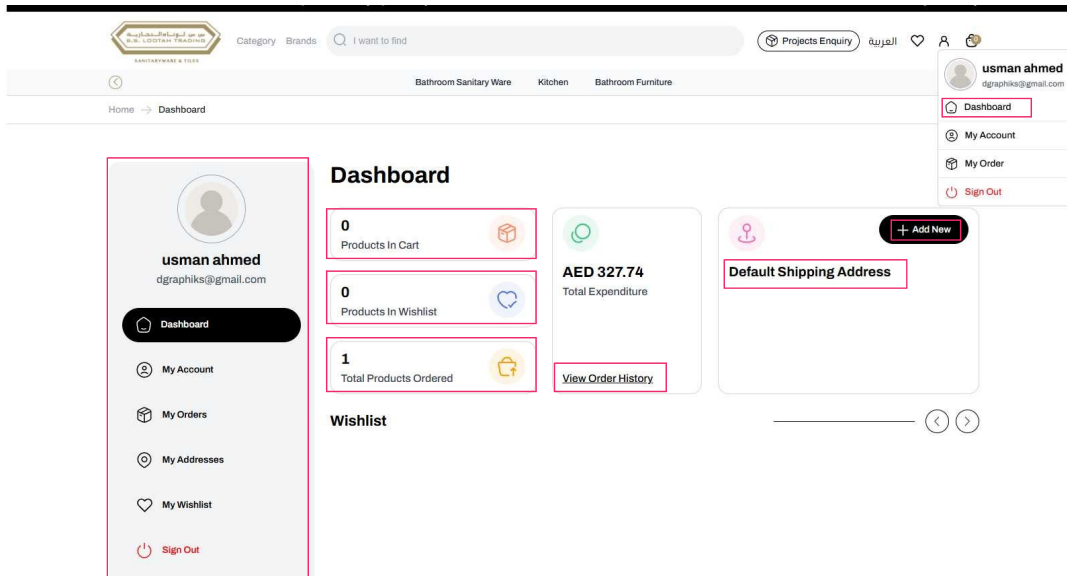

1. Located in the top-right corner, this section displays the logged-in user's name or username (e.g., "username: alshami").
2. Clicking on this area reveals a dropdown menu with account-related options.

### 2. Dropdown Menu Options:

The dropdown menu provides quick access to several account management features:

1. **Dashboard:** Navigates to the user's main account overview, where they can view personal information and activity.
2. **My Wishlist:** Redirects to a list of products or items the user has saved for future reference.
3. **My Profile:** Opens the user's profile page for updating personal details, such as name, email, or password.
4. **My Orders:** Displays the user's order history, allowing them to track current orders or review past purchases.
5. **Logout:** Logs the user out of their account securely.

This dropdown menu offers easy access to essential account management features, streamlining user navigation on the platform.

## 1. User Profile Section (Left Sidebar):

- Displays the user's profile picture or placeholder, name, and email address.
- Below this, a navigation menu allows users to access different sections of their account, such as:
  - **Dashboard:** The current overview page.
  - **My Profile:** To edit personal details like name, email, and password.
  - **My Orders:** To view order history and track current orders.
  - **My Wishlist:** To access saved products for later.
  - **Logout:** To securely sign out of the account.

## 2. Dashboard Metrics (Center Panel):

- **Products in Cart:** Shows the number of items currently added to the shopping cart.
- **Products in Wishlist:** Displays the total count of items saved in the wishlist.
- **Your Products Viewed:** Indicates the number of products the user has recently viewed.
- **Total Expenditure:** Shows the total amount the user has spent on purchases, in this case, AED 397.74.
- **View Order History Button:** A shortcut to the detailed order history section.

### 3. Default Shopping Address (Right Panel):

- Displays the user's saved default shipping address for convenience during checkout.
- Users can edit or update their shipping address from this section if necessary.

### 4. Dropdown Menu (Top Right):

- Reiterates the dropdown options previously explained, allowing access to:
  - Dashboard
  - My Account
  - My Orders
  - Logout

The screenshot displays the 'My Account' page with the 'Edit Profile' tab selected. The sidebar on the left contains navigation links: Dashboard, My Account (highlighted), My Orders, My Addresses, My Wishlist, and Sign Out. The main content area shows the following fields:

- First Name \*** (الاسم الأول): usman
- Last Name \*** (اسم العائلة): ahmed
- Email \***: dgraphiks@gmail.com
- Phone Number \***: +971 | 050 123 4567
- Alternate Phone Number \***: +971 | 050 123 4567

At the bottom, there are 'Cancel' and 'Save Changes' buttons.

### 1. User Information (Left Sidebar):

- Displays the user's profile picture or placeholder, name, and email address.
- Provides a navigation menu to access:
  - **Dashboard**: Overview of account activities.
  - **My Profile**: The current section for updating personal details.
  - **My Orders**: To check order history.
  - **My Wishlist**: To access saved products.
  - **Logout**: To sign out securely.

### 2. My Account Details (Center Panel):

- The page is divided into two tabs:
  - Edit Profile** (highlighted): Displays personal information like name, email, and phone numbers.
  - Change Password**: A separate tab to update account credentials.
- The **Edit Profile** fields include:

- **First Name** and **Last Name**: Fields for the user's full name.
- **Email**: The registered email address for communication and login.
- **Phone Number**: The primary contact number for account verification or communication.
- **Alternate Phone Number**: A secondary contact number, if applicable.

### 3. Action Buttons:

- **Save**: Allows users to save any changes made to their account details.
- **Cancel**: Discards changes and restores the original information.

The screenshot displays the 'My Orders' page for a user named 'usman ahmed'. The sidebar on the left includes a profile picture, name, email, and navigation links for Dashboard, My Account, My Orders (highlighted), My Addresses, My Wishlist, and Sign Out. The main content area features a search bar and a table of orders.

Order ID	Order Date	Total Price	Order Status	Action
0034	09-Jan-2025	AED 327.74	Processed	<a href="#">View Detail</a>

### My order Page:

- Displays a list of all the user's orders in a structured format.
- Key columns include:
  - **Order ID**: A unique identifier for the order.
  - **Order Date**: The date when the order was placed (e.g., "09-Jun-2025").
  - **Total Price**: The total amount for the order (e.g., "AED 397.74").
  - **Order Status**: Indicates the current status of the order (e.g., "Processed").
  - **View Detail Button**: A clickable option to view detailed information about the specific order.

This is the Order Details Page, which provides a detailed breakdown of a specific order.

#### 1. Order Number:

- Displays the unique identifier for the order (e.g., **Order #: 0034**).
- This number is used for tracking and reference purposes.

#### 2. Billing and Shipping Details:

- **Billing Address:** Shows the address associated with the payment.
- **Shipping Address:** Displays the delivery address for the order.
- These sections ensure the user can verify the correct addresses for billing and shipping.

#### 3. Order Detail:

- Indicates the current status of the order (e.g., **Processed**).
- Includes the **Order Date** (e.g., "08-Jan-2025") and the **Payment Method** (e.g., "Pay with Card").

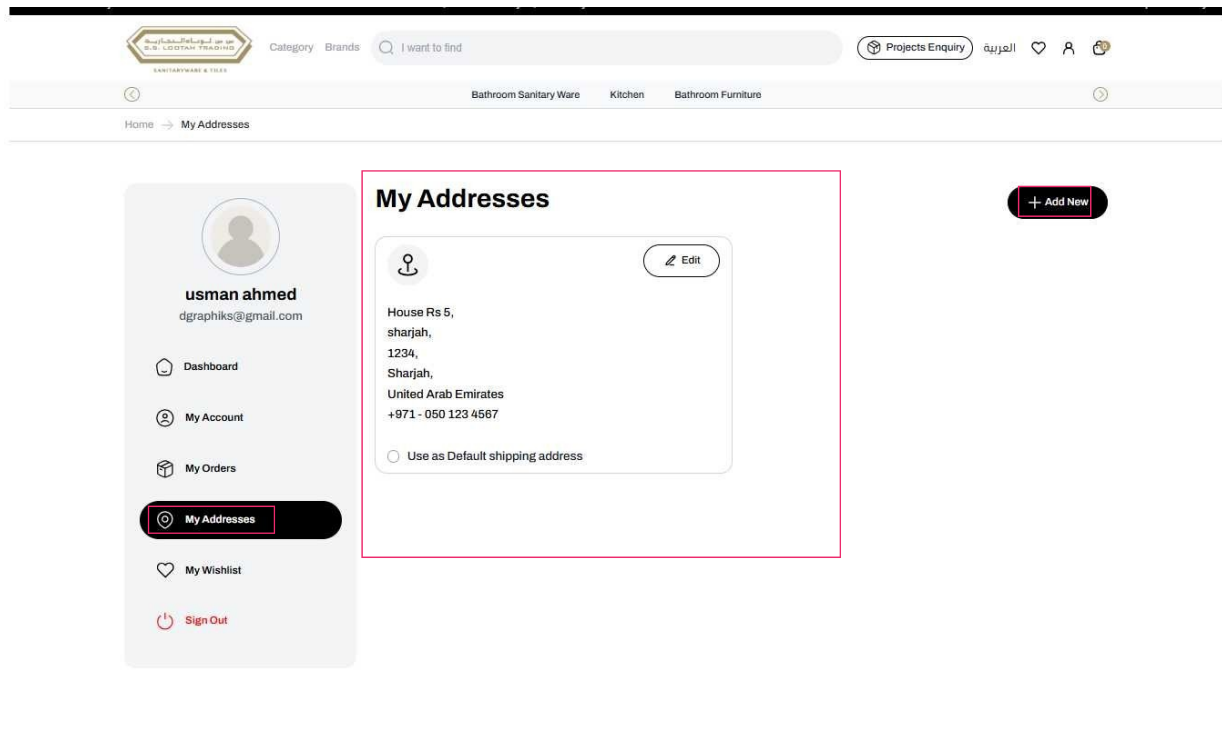

#### 4. Order Amount:

- Provides a detailed breakdown of the order's cost:

- **Subtotal:** The total price of items before additional charges.
- **VAT Amount:** The calculated tax amount.
- **Shipping Charges:** Any delivery fees associated with the order.
- **Total Amount:** The grand total (e.g., AED 327.74).

## 5. Order Summary:

- Lists the items included in the order:
  - Product name (e.g., "3-Inline Built-In Bathtub").
  - Quantity and unit price.
  - Total price per item.

This is the My Addresses page, where users can manage their saved addresses.

### 1. Saved Address:

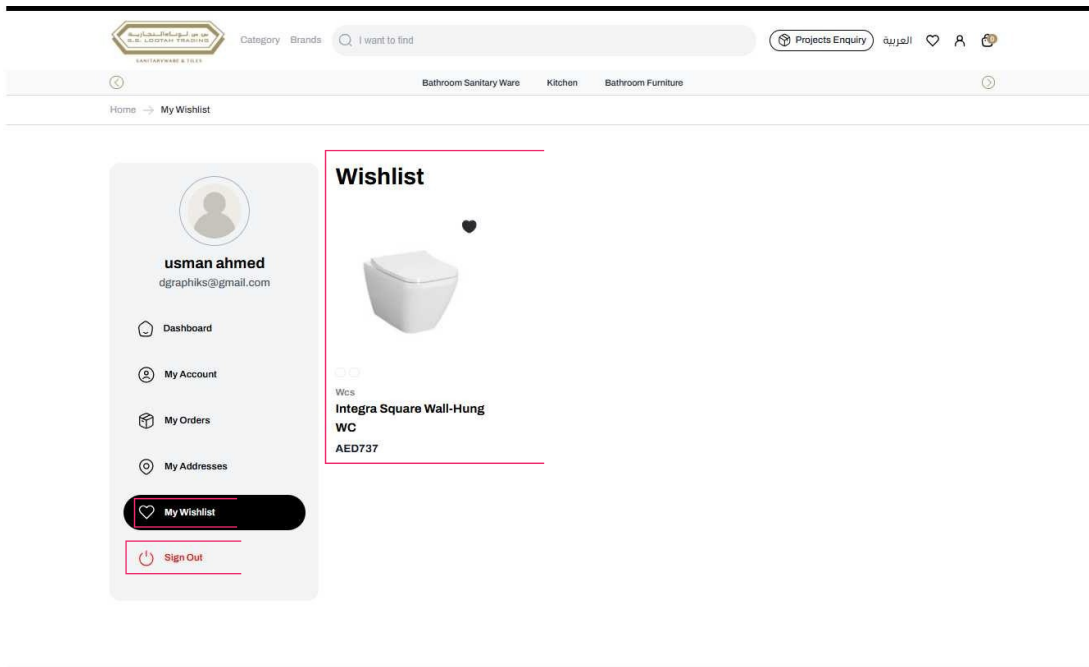

- Displays the user's currently saved address, including the full details such as:
  - Address lines.
  - City.
  - Postal code.
- A checkbox allows the user to set this as the **default shipping address**, ensuring it is used automatically during checkout.

### 2. Edit Button:

- Located beside the saved address, the **Edit** button allows the user to modify the details of the selected address.

### 3. Add New Address Button:

- On the right-hand side, users can click the **"Add New"** button to input and save an additional address.

This is the Wishlist page, where users can view products they have saved for later.

### 1. Saved Product:

- Displays the product saved in the user's wishlist, including:
  - Product image for easy identification.
  - Product name (e.g., "**Indigo II Square Wall-Hung WC**").
  - Product code or ID (e.g., **#4502137**).

### 2. Wishlist Features:

- Users can revisit saved items to view details, add them to the cart, or remove them if no longer needed.
